# PERMANENT RECRUITMENT

THERE ARE NO LIMITATIONS ON WHAT YOU CAN EARN.

RIGHT NOW, THE WORLD IS YOUR OYSTER.

Permanent Recruitment means bringing individuals who are expected to work and grow with the company on a permanent basis whilst the recruiter earns an introduction fee from the company for introducing the individual.

**It's that simple!**

## EARNING POTENTIAL

The average annual turnover for a new Job Bank Business Full Time in Year 1 when focusing on Permanent Recruitment is between \$25,000 to \$50,000.

The figures below give you an idea of the potential earnings based on an average 10% introduction fee and an average salary of \$25,000.

YEAR	PLACEMENTS	YOUR EARNINGS
1	10	\$25,000
2	20	\$50,000
3	30	\$75,000

**\*THE FIGURES ABOVE ARE BASED ON OUR PREDICTIONS.**

In roles where there is a high turnover of staff, clients prefer to pay a fixed fee rather than a percentage, however, as they would need more staff replacing on a regular basis, the potential earnings would remain similar.

# I AM A JOB BANK RECRUITER

## HOW DID JOB BANK HELP BUILD YOUR IDENTITY?

Job Bank were supportive right from the start from creating names, various concepts of logos to building my website and marketing my brand! They did it all and ensured they created the identity which I imagined.

## HOW DID YOU FIND THE RECRUITMENT TRAINING?

I thought the recruitment training was set and pitched at the right level for me. The Business Coaches were so valuable as it was all about my learning needs built around my lifestyle.

The level of instruction in the modules and from the Business Coaches were excellent, the distance learning is well set out and is also a working Business model, meaning that we have the opportunity to go out and get clients and candidates. The recruitment learning gave me real experience and increased my confidence and motivation. The continuous training and support means that I am now built to bill!

## WHAT'S THE BEST PART OF HAVING A RECRUITMENT BUSINESS?

There are two best parts to having a Recruitment Business for me. Firstly, my work is now rewarded financially, through the satisfaction of negotiating the deal and seeing it through the end with great results. The second is sourcing the work, finding new clients and candidates and making money around my children!
